- LL.M in International and European Business Law, University of Vienna, Austria (2014-2017)

## Experience:

Bálint is qualified in Hungary as an Attorney-at-Law since 2009, he equally holds a degree in economics and management and also obtained a business law LL.M degree at the University of Vienna. He studied in Hungary, Germany, Austria, South-Korea and USA.

Bálint spent 2 years with Clifford Chance before he joined, as part of the starting team Faludi Wolf Theiss, back in 2007.

At Faludi Wolf Theiss Attorneys-at-Law Bálint acted as a senior associate. He was also named in Legal500 in 2013.

Between 2014 and December 2015 he acted as Head of Corporate Legal Affairs at Trenkwalder Hungary and as compliance manager. In his role he equally oversaw the compliance and cross-functional internal audit related activities at Trenkwalder Hungary. He is the managing partner of KPMG Legal in Hungary since 2016 and the head of the KPMG Legal global data protection topic group. His main focus areas are data privacy, corporate and regulatory. He took part in the analysis of the data privacy aspects of an internal compliance investigation.

Bálint regularly advises clients on full-scale GDPR preparation and compliance projects as well as on complex corporate assignment. He regularly publishes articles in the field of data protection and regulatory affairs. He is a regular speaker at conferences and public events. He has strong exposure to Legal Tech and AI regulatory issues as well. He speaks Hungarian, English and German.

Bálint led the team in advising major Hungarian data controllers and a number major financial institutions, just to name a few.

## Language skills:

- Hungarian – native proficiency
- English – Full professional proficiency
- German - Full professional proficiency
